TERMS AND CONDITIONS

I am aware to restore water service the city must be notified at least 7 (seven) days prior to the effective date. Turn on service will be performed Monday through Friday between the hours of 7:00 a.m. and 3:00 p.m., but generally is performed in the morning.

The city shall not be responsible for any damage caused by breaking, bursting, or collapsing of any boilers, pipes, fixtures, or water heating appliance caused by the re-establishment of the water supply, or any damage whatever resulting directly or indirectly from restoration. Every person using water shall be responsible to see that the property safety valves and/or regulators are placed on the plumbing on his or her premises in such a way as to provide protection for his or her plumbing devices and property from over or under pressure. (GHMC 13.02.350)

The signed form will remain on file for the lifetime of the account. I have read, understand, and agree to the water unlock terms and conditions.
